

## *EZ-Check™ Payroll Check Services*

***Eliminate the Administrative Burdens of Your Payroll Checking Account!***

### *EZ-Check™ Simplifies Your Company's Payroll Process By:*

- Eliminating time consuming bank reconciliations
- Avoiding a separate payroll account for your payroll checks
- Eliminating multiple payroll check debits to your bank account
- Savings on check-clearing charges from your bank

### *How Does It Work?*

Each payroll cycle Paypro will debit your company's bank account for the total amount of your net live payroll checks two (2) days before your payroll check date. Your EZ-Checks™ are issued against Paypro's trust account and delivered to you for distribution. Each payroll you will receive a check register of EZ-Checks™ printed. On a quarterly basis Paypro will provide you with a listing of un-cashed items.

### *No Cash Card Required*

Through our banking branch network, your employees have the ability to cash their checks 7 days a week at over 800 branches throughout the United States. Your employees simply present their EZ-Check™ at any branch along with a driver's license or other form of ID to cash their check.

### *How Does My Company Implement EZ-Check™?*

It's easy to implement EZ-Check™! For just a few cents per pay check you can eliminate your costly bank fees and reconciliation headaches.
